

## DOT SAFETY AUDIT

New USDOT Carrier,

The FMCSA requires that a safety audit be scheduled, after obtaining a USDOT Number.

The following is required;

**Enrollment in a Drug and Alcohol Consortium Pool** to include:

Pre-employment drug test

FMCSA Clearinghouse and Portal registration

Drug and Alcohol Policy Manual

**Driver Qualification File (DQF)** to include:

Motor Vehicle Record (MVR) for the previous 3 years

Completed mandatory paperwork, as outlined in the Federal Regulations 49 CFR 391

We will simplify and organize the process. Providing you the tools to complete the requirements. Even if you're the company's only driver, you will still need a DQF for yourself. To get started, please email this form to [applications@authorityexpressllc.com](mailto:applications@authorityexpressllc.com) or call 208-834-2015 for any questions.
